The rental price includes third party insurance, two Vespa® helmets, a top case with backrest, unlimited kilometres, USB charger, RAM® XGRIP® Phone Mount, custom map, 24/07 road assistance, 24% vat.

The rental price decrease depending on the rental period/days.

Our pricing formed based on the following reasons:

The scooter and the helmet maintenance procedure requires time, special cleaning, disinfecting, polishing formulas and equipment.

The frequent in-depth cleaning of the helmets has, as a result, a shorter product life.

Each time you return a scooter, we check the scooter for damages.

We clean and disinfect the helmets in depth using Motul® Helmet Interior clean formula, Dettol® Antibacterial Surface Cleanser Spray and Karcher steam cleaner.

We are washing, disinfecting where needed and polishing the scooter.

Travellers who book a Vespa just for a day or two usually ride more kilometres per day than those who rent the Vespas for longer periods.
